

CONQUAS SUBMISSION CHECKLIST		
Structural	To complete all Structural samples as indicated in the project detail	
	1) Reinforcement Bars, Formwork	
	2) Finished Concrete	
	3) Precast Concrete (If applicable)	
	4) Structural Steel Assessment (If applicable)	
	5) Pre-stressed Concrete (If applicable)	
	6) NDT-Covermeter Test (CVM)	
	7) NDT-Uniformity Pulse Velocity Test (UPV)	
	Submit the following record	
	FORM A - Cube and Tensile Steel (No attachment needed)	
	FORM B - Welding Test Declaration (Attachment needed - MPI, NDT test report)	
Architectural	To complete all Architectural samples as indicated in the project detail	
	1) Internal Finishes (P,S & C)	
	2) External Walls	
	3) External Works	
	4) Roof	
	5) Windows Water Tightness Test (WTT) - By BCA	
	6) Windows Water Tightness Test (WTT) - Self Test by Contractor	
	7) Wet-Areas Water Tightness Test - By BCA	
	8) Wet-Areas Water Tightness Test - Self Test by Contractor	
	9) Pull-Off-Test (POT)	
	10) In-Process Wet Area Water Tightness Test	
	Submit the following record	
	FORM C - SCI wavier for in-process assessment (Attachment needed)	
	FORM D- Material and Functional Test (No attachment needed)	
M&E	To complete all M&E samples as indicated in the project detail	
	1) Electrical (Both during Structural & Architectural Assessment)	
	2) ACMV	
	3) Plumbing and Sanitary	
	4) Fire Protections	
	Submit the following records	
	FORM E - M&E Performance Test (No attachment needed)	
	FORM F - DRAFT CONQUAS CERTIFICATE
